**Visit Indochina** was founded in the UNESCO World Heritage Site of Hoi An. Prior to opening the company, our founder Mr. Nguyen Son Thuy worked for more than a decade in tourism enterprises across the country. In a short time, the company extended its services to all Vietnam's major tourism destinations, and began welcoming large groups from Asian markets. In 2022, the company revised its name from Indochina Unique Tourist to Visit Indochina, and expanded its team and tour products to serve more markets.

Today, Visit Indochina welcomes guests from 10 countries in Asia, and has built a solid reputation for reliable and supportive ground handling services in Vietnam.
